

# Dancing in the Garden of Sophia's Temple

Celebrate the quickening of Spring

## Imbolc Celebration

Dancing 7-9PM

Friday, February 3, 2012

Suggested donation \$10 - \$15

This dance meeting with Gayatri and friends takes place seasonally at Sophia's Garden north of Sebastopol. For more information contact Gayatri at (707) 829-3195.

Due to the season we will NOT be gathering for a potluck prior to the dance and we will be dancing inside the dome. Imbolc is a time for planting the seeds of our hopes and dreams for the coming summer months. A time for purification in preparation for new growth. Join us in celebrating the increasing power of the Sun.

Enjoy Dances of Universal Peace, singing, dancing, meditation, joyful praise with Gayatri and friends. Connect with the earth through the elements. Dances of Universal Peace honor all traditions, the Goddess, Islam, Buddhism, Hinduism, Zoroastrianism, Judaism, Christianity, Native traditions and more. No experience is needed. Newcomers are always welcome.

Bring indoor dancing shoes and something to sit on if you need it.
