Child Care at the Dances: At the moment, there is no separate room/space for the children. We ask that parents work out a system of supervision for them. If you would like us to rent an extra room for the children, please contact Ananda.

Children are always welcome in the dances under the guidance of the people who brought them.

Ziraat (Spiritual Agriculture), for more information please call Michael Furniss at 826-9326, anytime of the year, or Noor-un-nisa at 445-3305 (during the months of about November to April).

For information on camps and other activities outside of our local area, please check the table in the HUUF foyer.

Fee Assistance: As a part of our service to local Sufi community members, we offer fee assistance to help cover some of the cost of attending local or more-distant Sufi camps and events. If you feel that you could use and might qualify for assistance, then please let one of the dance leaders know. If you would like to contribute to this fund to help make this possible, please give your donation to one of the dance leaders and request that it be earmarked for the scholarship fund.
