"Disclose to us thy divine light, which is hidden in our souls" -- Hazrat Inayat Khan

In Sufi practices, and particularly Sufi healing practices, our intention is to touch and manifest divine qualities which always live within us. Murshid Samuel Lewis often quoted Sufi Al-Ghazzali, saying "Sufism is based on experience and not on premises." So in our healing circles we use breath, sound, contemplation and prayer to open and experience hidden treasures such as purification, compassion and healing power which are our True Nature; and we perform the Absent Healing ritual of Hazrat Inayat Khan to send healing light to others

We meet at 7085 Fellers Lane (between 116 and Litchfield Ave). All are welcome, there is no charge. Bring the name of anyone who has asked for healing. For more information: Shafee, 707-484-0573 or shafee@sufipaths.net. PLEASE CALL BEFORE COMING.

"Beloved Lord, almighty God, through the rays of the sun through the waves of the air, through the all-pervading life in space, purify and revivify us, and we pray, heal our bodies, hearts and souls" -- Inayat Khan

Our circle is an activity of the [Dervish Healing Order](#) of the Sufi Ruhaniat International
