

SUFI HEALING CIRCLE FROM SEBASTOPOL, CALIFORNIA

Second and fourth Thursday Evenings at 7:45 Pacific Time

**"Disclose to us thy divine light, which is hidden
in our souls" -- Hazrat Inayat Khan**

In Sufi practices, and particularly Sufi healing practices, our intention is to touch and manifest divine qualities which are always living within us. The Universe is filled with healing power! Murshid Samuel Lewis often quoted Sufi Al-Ghazzali, saying "Sufism is based on experience and not on premises." So our healing circles, in the tradition of the Dervish Healing Order, are experiential -- using breath, sound, contemplation and prayer to open and experience hidden treasures such as purification, compassion and healing power which are in our True Nature; and we perform the Absent Healing ritual of Hazrat Inayat Khan to send healing light to others,

If you are in serious need of healing yourself please reach out to either of us to discuss your needs and preferences. If you don't attend the ritual, then with your permission we can add your name to our list and send the *Shaffea* (healing power) out to you.

Our in-person gatherings are on hold for now; we have been meeting online by Zoom teleconference, for about an hour on the 2nd and 4th Thursday evenings of the month at 7:45 California time. All are welcome, there is no charge. Bring the name of anyone who has asked for healing.

"Beloved Lord, almighty God, through the rays of the sun through the waves of the air, through the all-pervading life in space, purify and revivify us, and we pray, heal our bodies, hearts and souls" -- Inayat Khan
